1. Competition Overview

1.1 Purpose

The Indiana Esports Network (IEN) establishes this ruleset to define the official competition standards for **Overwatch 2**.

This document provides the information required for schools, coaches, and students to participate in IEN competition.

All participants must also follow the requirements established in the current IEN Member Handbook.

1.2 Competition Model

Competition Type:

Team-Based

Description:

Overwatch 2 is a team-based first-person shooter in which two schools compete using teams of five players. Each team fields one Tank, two Damage (DPS), and two Support players in objective-based matches. Teams earn points by completing map objectives, eliminating opponents, and controlling key areas of the battlefield. Success requires communication, teamwork, strategic hero selection, and coordinated execution across multiple game modes.

2. Team and Player Structure

2.1 Roster Information

Requirement	Details
Minimum Roster	5 starters 1sub
Maximum Roster	8
Active Players	5
Substitutes	3

2.2 Coaches

Coach requirements:

All coach eligibility, supervision, and participation requirements are governed by the IEN Bylaws and General Competition Rules.

3. Match Format

3.1 Competition Format

Matches are played using the Overwatch 2 Competitive ruleset in a Best-of-Five (Bo5) or Best-of-Seven for Grand Finals series format.

The first team to win three maps is declared the match winner. Maps shall be played in the following order:

1. Control
2. Escort
3. Flashpoint
4. Push (if necessary)
5. Hybrid (if necessary)

Teams must field five eligible players at the start of each map consisting of one (1) Tank, two (2) Damage (DPS), and two (2) Support players.

Substitutions may be made between maps but may not occur during an active map unless permitted under league disconnect or emergency procedures.

Map side selection, lobby hosting, and other pre-match procedures shall follow league-established competition policies.

The team winning the majority of maps in the series shall receive a match victory in the league standings.

3.2 Match Structure

Category	Details
Match Type	Team-Based Best-of-Five (Bo5) Series
Games Per Match	Up to 5
Victory Condition	The first team to win three (3) maps shall be declared the match winner. If neither team secures a majority of map victories after all scheduled maps have been played, the match shall be recorded as a tie.

3.3 Tie Procedures

If a tie occurs:

For any subsequent map following a tied result, the team that lost the previous map shall select the next map. The team that won the previous map shall choose whether to begin on Attack or Defense when applicable.

Should the match remain tied upon completion of all scheduled maps, the match shall be declared a draw and recorded as a tie in the official standings.
