Pacers Esports Night

We had an amazing evening bringing together students, schools, and the esports community for a fantastic event at Gainbridge Fieldhouse.

Congratulations to our **Tournament Champion, Brecken Rodriguez** from Tri-Township, who battled their way to the top with an outstanding performance!

A huge shoutout as well to our **Runner-Up, Jaden Scully** from Michigan City High School, for an impressive run and strong showing throughout the tournament.

Thank you to everyone who attended, supported, and helped make this event such a success. Events like this continue to highlight the incredible talent and growth of scholastic esports across Indiana.

STAY PLUGGED IN

Esports Scholarships

Stay Plugged In is the premier esports recruiting platform connecting students with college scholarship opportunities. Through the platform, schools and students can interact with hundreds of college esports programs—opening the door to recruitment and scholarships. Best of all, it's free to join for IEN schools and students.

Schools can create a page and invite their students to join. College recruiters then review player profiles to find potential fits for their teams—and students can even reach out to colleges directly.

In addition to competitions, Stay Plugged In offers multiple pathways to scholarships, including STEM contests, essay writing opportunities, and more.

Create your profile and become visible to hundreds of colleges.

Varsity Schedules

Varsity scheduling has been completed! These schedules should be visible on LeagueOS and should be considered **PROVISIONAL**. This means that the schedules **may change** before regular season matches begin **9/22**.

If your team does not appear on a varsity schedule, that is because your team was not registered, or did not meet the registration requirements (number of players, Nintendo Verification form, etc.) If you intended to register your team, but did not complete all of the requirements, open a **helpdesk-ticket** on Discord and we will try to get you scheduled. This must be completed by Thursday 9/18 at 11:59pm

Important Note: IHSEN Varsity teams that did not have the requisite number of players with game connections **WERE STILL REGISTERED**. But these teams **MUST** ensure that all their players have made game connections before **Thursday 9/18 at 11:59pm**

Meet IEN's New Executive Director

The Indiana Esports Network is proud to officially appoint Joseph Wilhelm as Executive Director. After successfully serving in the interim role, Wilhelm has been instrumental in IEN's growth: expanding school membership, boosting community engagement, and strengthening statewide partnerships. With a deep passion for esports and education, Joe is set to lead IEN into its next phase, focused on creating opportunities for players, educators, and schools across Indiana. Welcome, Executive Director Wilhelm!

Meet Shaun Doyle

Shaun Doyle teaches computer science at Purdue University Northwest and helps new college students build a strong foundation in tech. He was an esports coach at Hobart, now serves as assistant coach at PNW, and is a new member of the IEN Board of Directors.

State of IEN

The Indiana Esports Network continues to grow and evolve as we head into another action-packed season! With increased school participation, stronger partnerships, and more competitive opportunities than ever before, IEN remains committed to delivering a high-quality esports experience for students and educators across the state.

League & Game Title Updates

We've made key updates to several titles this season:

- Fortnite – New custom map, 4v4 format, and rules
- Mario Kart 8 Deluxe – New weekly Grand Prix format, DLC cups for playoffs, and updated track selection/scoring procedures.
- Valorant – Final map pool announced before registration closes.
- Overwatch 2 – Revised perks, bans, and mode structure.
- Tetris – Single-elimination playoffs, two matches per night,
- Marvel Rivals – The new ruleset will be shared at the mandatory coaches meeting.

Mandatory coaches meeting is scheduled for **August 13th** at 7 PM Central / 8 PM Eastern.

Registration & Varsity Dues

Registration & Dues

- All teams must register through LeagueOS.
- Registration opens: August 11
- Deadline to register: September 5
- Varsity dues: \$100 per school for 2025–2026

Help Sessions

To support coaches with the registration process, we'll be offering six live help sessions leading up to the deadline. These sessions will guide you through LeagueOS setup, answer any questions, and ensure your teams are fully prepared to compete.
