1. Competition Overview

1.1 Purpose

The Indiana Esports Network (IEN) establishes this ruleset to define the official competition standards for **Apex Legends**.

This document provides the information required for schools, coaches, and students to participate in IEN competition.

All participants must also follow the requirements established in the current IEN Member Handbook.

1.2 Competition Model

Competition Type:

Team-Based

Description:

Apex Legends is a team-based Battle Royale esports in which squads of three players compete in custom tournament lobbies. Teams earn points through player eliminations and final placement in each round, with cumulative scores determining weekly standings and season rankings. Schools compete throughout the regular season to qualify for the postseason, where seeded teams advance through playoff competition culminating in a Match Point Championship Final.

2. Team and Player Structure

2.2 Coaches

Coach requirements:

All coach eligibility, supervision, and participation requirements are governed by the IEN Bylaws and General Competition Rules.

3. Match Format

3.1 Competition Format

Teams of three compete in three Battle Royale rounds each match day using custom Tournament Mode lobbies. Teams earn points through eliminations and final placement in each round. Combined round scores determine weekly results and League Points for season standings. Qualified teams advance to a seeded postseason that concludes with a Match Point Championship Final.
