1. Competition Overview

1.1 Purpose

The Indiana Esports Network (IEN) establishes this ruleset to define the official competition standards for **Tetris**.

This document provides the information required for schools, coaches, and students to participate in IEN competition.

All participants must also follow the requirements established in the current IEN Member Handbook.

1.2 Competition Model

Competition Type:
Individual

Description:

Schools may register an unlimited number of students to compete in TETR.IO. Competition is conducted as an **individual league**, with each student representing their school throughout the season.
